Dear Sir or Madam:

In your letter dated October 5, 2009, you requested classification as a public charity described in section 509(a)(3) of the Internal Revenue Code.

In our letter dated January 16, 2009, we determined that you were exempt under section 501(c)(3) of the Code. We further determined that you were not a private foundation, and you were classified as a public charity described in section 509(a)(1) and 170(b)(1)(A)(vi) of the Code.

Based on information you provided, we have determined that you meet the requirements for classification as a public charity described in section 509(a)(3) of the Code. Accordingly, this letter modifies our letter of May 1979, and we have modified your public charity status in our records as you have requested.

Specifically, we have determined that you are a Type 3 functionally integrated supporting organization under section 509(a)(3). A Type 1 is operated, supervised, or controlled by, a Type 2 is supervised or controlled in connection with, and a Type 3 is operated in connection with one or more publicly supported organizations.

Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(3) of the Code.

Grantors and contributors may generally rely on this determination of your foundation status unless the Internal Revenue Service publishes notice that you are no longer recognized as tax exempt or classified as a public charity in the Internal Revenue Bulletin. However, if a grantor or contributor takes any action, or fails to take any action, which causes you to lose your exempt status or causes you to be reclassified as a private foundation, that party cannot rely on this determination. Furthermore, a contributor or grantor who knows that the Internal Revenue Service has notified your organization of any change in your exempt status or foundation status cannot rely on this determination.

We have sent a copy of this letter to your representative as indicated in Form 2848, Power of Attorney and Declaration of Representative.

Because this letter could help resolve any questions about your exempt status and/or foundation status, you should keep it with your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely,
